Supermarket Tips!

Shopping tips—Choose fresh colored beans that snap easily when bent. Avoid beans that are soft, limp, or have brown spots or open pods. Discoloration of green beans is a sign that they are old and not edible.

Storage—Refrigerate the green beans in a plastic bag and try to use the green beans within one week for best results.

Green beans are easy to cook and serve. Simply wash the green beans and boil the beans for about 3 minutes. Drain the green beans and add almonds, peppers, or any of your favorite seasonings.
