Attention Parents:

Beginning Monday, September 28, 2009, St. Joseph's will begin our daily hot lunch program. Attached you will find an application for free and reduced price school meals. Please feel free to visit the Nutritional Development Services website, [www.ndsarch.org](http://www.ndsarch.org), with any questions you may have on the application. To ensure a faster application process NDS recommends completing the application online. The application is found at [www.COMPASS.STATE.PA.us](http://www.COMPASS.STATE.PA.us). It is necessary to complete the application each school year. Last year's application is only good through October 15, 2009. You may contact myself, Mary Testa at (484)840-0994 or at [ttesta999@verizon.net](mailto:ttesta999@verizon.net), or Barbara Arena at (610)859-8156 or [baaarena@aol.com](mailto:baaarena@aol.com) with any questions that you may have.

Please return your completed application *no later than Friday, September 18, 2009 in c/o Hot Lunch Program – School Office*. We look forward to our second year of running this program for you and your families.
